

Continues and me (quickly)

- On a 200K LoC project I built through 7 years, more than 1/3 of the functions are suspending.

• Juste then whenever it makes sense

Coroutines and me (quickly)

- On a 200K LoC project I built through 7 years, more than 1/3 of the functions are suspending.
- I use them whenever it makes sense

Why coroutines? (quickly)
